

2013 Goodyear Eagle Performance Program
Runoffs Contingency

To be eligible for awards:

You must have Goodyear Tires on all four wheel positions to start and finish the race.

Car must be running at the finish of the race, i.e. must complete the required number of laps to be eligible for SCCA National points. Each class must have a minimum of 10 starters.

A 17" decal must be placed on each side of the car above the wheel well (preferred) and have one decal visible from a head-on view. A chest patch must be affixed to the driver's suit.

Official race results must be attached to this registration form. Failure to do so will delay the processing of the award certificate.

When you are ready to redeem your award, submit this registration form to:
Goodyear Tire and Rubber Co., Attn: Steve Petrescu (dept. 716), PO Box 3531,
Akron, OH 44309.

Certificates may be redeemed at any authorized Goodyear distributor. Tires may be shipped at the award winner's expense.

No registration forms will be accepted after 11/15/13. No certificates will be redeemed after 12/01/14.

(Please print – must be filled out completely)
